<b>Operating system</b>	<b>Windows 10</b>

## **DATABASE:**

Create database userdb;

User userdb;

## **Tables:**

User table:-

```
create table user(  
    user_id int(50)not null primary key auto_increment,  
    name varchar(100) not null,  
    mobile varchar(100) not null,  
    email varchar(100) not null,  
    password varchar(100) not null );
```

Payment table:-

```
create table payment(  
    payment_id      int(50)not      null      primary      key  
    auto_increment,  
    name varchar(100) not null,  
    mobile varchar(100) not null,
```

```
address varchar(100) not null,  
pincode int(100) not null,  
city varchar(100) not null,  
state varchar(100) not null,  
product varchar(100) not null,  
amount varchar(100) not null,  
pay varchar(100) not null,  
user_id int(100) );
```

## PaymentDetails table:-

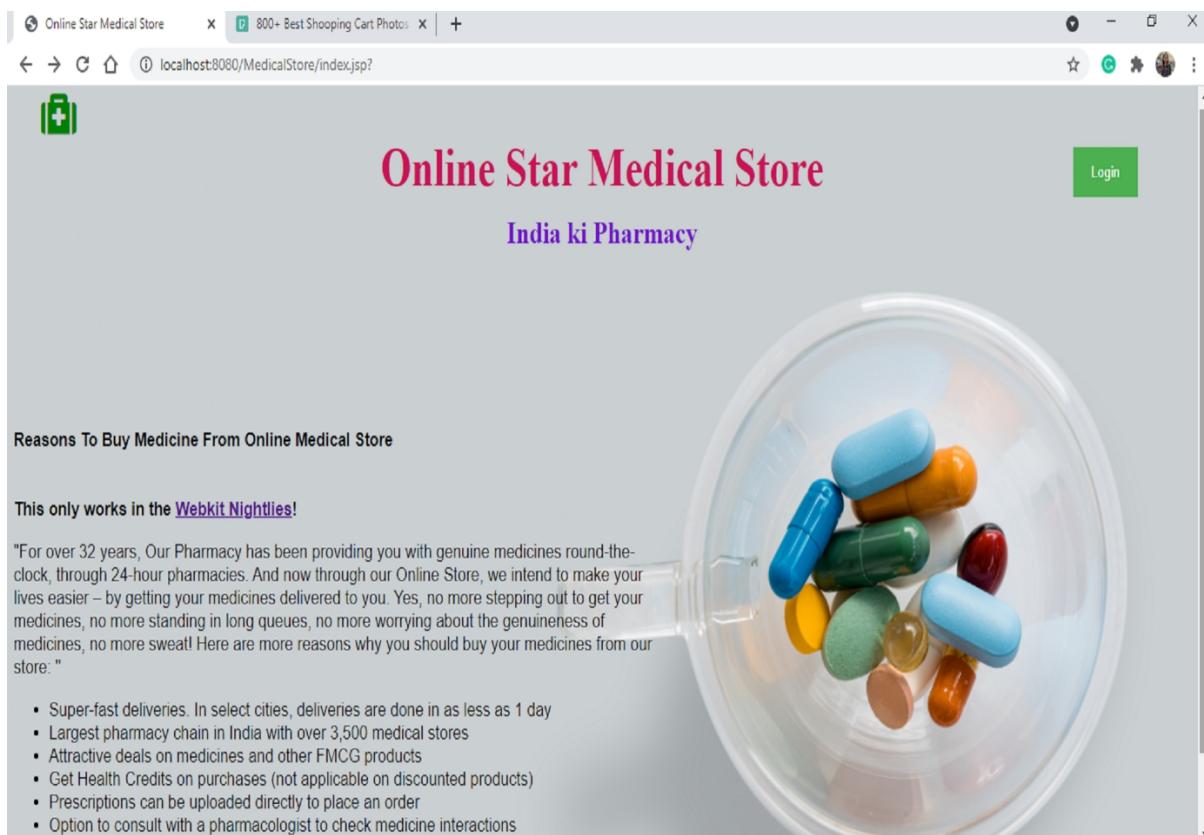

```
create table paymentdetails(  
pay_id int(50)not null primary key auto_increment,  
owner varchar(100) not null,  
cvv varchar(100) not null,  
cardno varchar(100) not null,  
month varchar(100) not null,  
year int(100) not null );
```

## Modules of Online Medical Store

- Login page
- Home page
- Order place page
- History of shopping

Before ordering any medicines user should have to register first. Then user should login with the credentials. There are many things to buy in store. Let's see....

- Home page:

### Reasons To Buy Medicine From Online Medical Store

This only works in the [Webkit Nightlies](#)!

"For over 32 years, Our Pharmacy has been providing you with genuine medicines round-the-clock, through 24-hour pharmacies. And now through our Online Store, we intend to make your lives easier – by getting your medicines delivered to you. Yes, no more stepping out to get your medicines, no more standing in long queues, no more worrying about the genuineness of medicines, no more sweat! Here are more reasons why you should buy your medicines from our store: "

- Super-fast deliveries. In select cities, deliveries are done in as less as 1 day
- Largest pharmacy chain in India with over 3,500 medical stores
- Attractive deals on medicines and other FMCG products
- Get Health Credits on purchases (not applicable on discounted products)
- Prescriptions can be uploaded directly to place an order
- Option to consult with a pharmacologist to check medicine interactions

- User can see their shopping history here:

A screenshot of a web browser window displaying a shopping history table. The browser's address bar shows the URL `localhost:8080/MedicalStore/viewHistory.jsp?`. The page title is "History". The table has columns for Id, Name, Mobile, Address, PinCode, City, State, Product, Amount, and Payment. There are two entries in the table.

Id	Name	Mobile	Address	PinCode	City	State	Product	Amount	Payment
1	Swati Khose	7303235060	c wing, 202, om sai residency, kalher, thane(w)	421302	Thane	Maharashtra	sanitizer	Rs. 90.00	cod
2	Swati Khose	7303235060	c wing, 202, om sai residency, kalher, thane(w)	421302	Thane	Maharashtra	FaceMasks	Rs. 30.00	cod

The background of the page features a small image of a shopping cart containing two pink bottles. The browser's taskbar at the bottom shows various pinned icons and the date/time as 18:50 29-03-2021.
